

**【New TCG Overview】**

発売元：株式会社ブシロード

"Luck & Logic," the TCG to Tranceunion with you.

# Luck & Logic

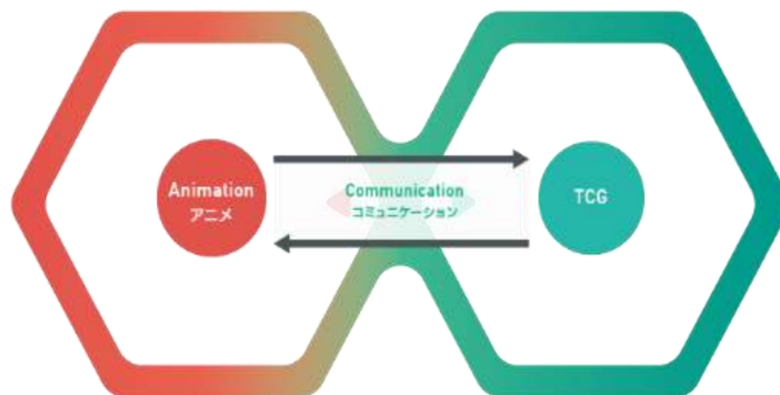

▶ **Main target: Late teens and above/Male**

## "Tranceunion" Project of Animation and TCG

Luck & Logic has forged a new relationship between animation and TCG.

Bushiroad + Bandai Visual + Nitroplus + Lantis + YuHoDo + DOGA KOBO!

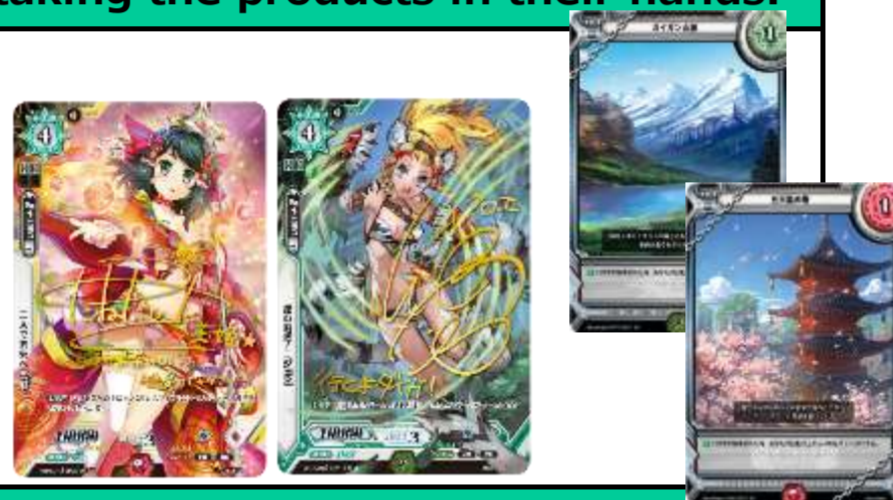

Don't miss the chance to see the start of our "Tranceunion" project in which we think and create together!

High quality illustrations to make them feel like taking the products in their hands.

Under the theme of "Tranceunion," each character appears in various costumes and skills.

Special cards like hot stamp signed cards, "Gate" cards with beautiful scenery of another world etc. will provide users with enjoyment of collection.

Game system in which "playing" skill is required.

Reasonable amount of luck and playing-skill elements are both realized in this TCG.

## ▶ Deck building system of [Color] and [World]

### Flexible Deck Building

[Same Color] or [Same World] themes allowing strong synergy!  
Different types of deck patterns and strategies can be brought together by the 2 factors.

The same card can go in multiple strategies!

### Promised Reinforcement by additional product

All 4 colors will be available with each new Booster Pack.  
Allowing all decks to be stronger with every release!  
Each expansion will be mutually related allowing the values of cards to be retained for a long period of time.

Each expansion instructs a different world and a new ability

**MONOLIUM**  
The world of werbeasts "MONOLIUM"  
Good at increasing Power

**DISFIA**  
The world where souls dwell "DISFIA"  
Good at using the Drop

**YELLOW**  
Good at strengthening allies and providing support when not attacking

**RED**  
Good at attacks that interfere directly with the opponent

**GREEN**  
Good at stocking up on resources like the STOCK

**BLUE**  
Good at using cards from hand and making tricky attacks

Reinforcement
